#### B. Submitting Comments.

Please include Docket ID **NRC-2015-0119** in the subject line of your comment submission, in order to ensure that the NRC is able to make your comment submission available to the public in this docket.

The NRC cautions you not to include identifying or contact information that you do not want to be publicly disclosed in your comment submission. The NRC posts all comment submissions at <http://www.regulations.gov> as well as entering the comment submissions into ADAMS. The NRC does not routinely edit comment submissions to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the NRC, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that the NRC does not routinely edit comment submissions to remove such information

before making the comment submissions available to the public or entering the comment submissions into ADAMS.

## **II. Background.**

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC is requesting public comment on its intention to request approval from OMB on the information collection summarized below.

1. *The title of the information collection:* 10 CFR part 140, "Financial Protection Requirements and Indemnity Agreements."
2. *OMB approval number:* 3150-0039.
3. *Type of submission:* Extension.
4. *The form number, if applicable:* N/A.
5. *How often the collection is required or requested:* On occasion, as needed for the licensees to meet their responsibilities called for in Sections 170 and 193 of the Atomic Energy Act of 1954.
6. *Who will be required or asked to respond:* Licensees authorized to operate reactor facilities in accordance with part 50 of Title 10 of the *Code of Federal Regulations* (10 CFR), or a holder of a combined license under 10 CFR part 52, and licensees authorized to construct and operate a Uranium enrichment facility in accordance with 10 CFR parts 40 and 70.
7. *The estimated number of annual responses:* 102.
8. *The estimated number of annual respondents:* 101.

9. *The estimated number of hours needed annually to comply with the information collection requirement or request:* 803.

10. *Abstract:* Information submitted by licensees pursuant to 10 CFR part 140 enables the NRC to assess (a) the financial protection required of licensees and for the indemnification and limitation of liability of certain licensees and other persons pursuant to Section 170 of the Atomic Energy Act of 1954, as amended, and (b) the liability insurance required of Uranium enrichment facility licensees pursuant to Section 193 of the Atomic Energy Act of 1954, as amended.

### **III. Specific Requests for Comments.**

The NRC is seeking comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility?
2. Is the estimate of the burden of the information collection accurate?
3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?
4. How can the burden of the information collection on respondents be minimized, including the use of automated collection techniques or other forms of information technology?

Dated at Rockville, Maryland, this 11<sup>th</sup> day of June, 2015.

For the Nuclear Regulatory Commission.

Tremaine Donnell,  
NRC Clearance Officer,  
Office of Information Services.
